2013 IEEE 11th Malaysia International Conference on Communications (MICC 2013)

Sponsored by IEEE Malaysia ComSoc/VTS Joint Chapter

26 – 28 NOVEMBER 2013
KUALA LUMPUR, MALAYSIA

Malaysia Truly Asia

CELEBRATING 20 YEARS OF MICC

CALL FOR PAPERS

IEEE Malaysia International Conference on Communications (MICC 2013) invites the world's leading academicians, researchers and engineers from academia, industry and government to submit papers on recent research results, new developments and technology trends in the field of communications engineering. The main goal of this biennial conference is to bring together scientists and engineers who work in these fields from various geographical locations to exchange their ideas at the conference in Kuala Lumpur, Malaysia.

Authors are invited to submit papers in all areas of communications, networks, services and applications. Potential topics are solicited in but are not limited to the following categories:
1. Telecommunication Networks
2. Mobile and Wireless Communications
3. Information and Coding Theory
4. Optical Communication System
5. Wireless Ad Hoc and Sensor Networks
6. Internet Technologies

Tutorial proposals are also invited which should run for a full day, a day prior to the conference proper.

Malaysia International Conference on Communications (MICC) is fully sponsored by IEEE Malaysia Communication Society & Vehicular Technology Society Joint Chapter which was incepted in 1993. MICC has since been organized biennially, a few times in collaboration with other major conferences. In 1997, MICC was held in conjunction with IEEE 5th International Workshop on Intelligent Signal Processing and Communications Systems (ISPACS'97). In 2003 it was co-organized with IEEE's 9th Asia-Pacific Conference on Communication (APCC'03) and in 2005, the 7th MICC was organized in conjunction with IEEE's 13th International Conference on Networks (ICON'05). The 8th MICC in 2007 was co-hosted with the 14th International Conference on Telecommunications (ITC'07). Next, the 9th MICC in 2009 was held in Kuala Lumpur. The latest, the 10th MICC in 2011 was held in Kota Kinabalu that was collocated with the 17th Asia-Pacific Conference on Communications (APCC 2011). MICC conferences have been very well attended and supported by researchers from Asia-Pacific region and the world at large. Hence, we are proud to announce that this is the 20 years of celebration for MICC.

The proceeding of the previous MICC is available in IEEE Xplore database.

IMPORTANT DATES

Paper Submission Deadline:	1 Jul 2013
Tutorial Proposal Deadline:	1 Jul 2013
Notification of Acceptance:	1 Sep 2013
Early Bird Registration:	1 Oct 2013
Camera Ready:	15 Nov 2013

SUBMISSION GUIDELINES

All papers will be peer-reviewed and accepted papers of MICC 2013 will be submitted to IEEE Xplore listing (subject to final approval). Paper submission process will be managed by **EDAS: http://edas.info/N14685**. Papers should be a **maximum of six (6) pages** including figures, tables, references and appendices. Use the standard IEEE Transactions templates for **Microsoft Word or LaTeX formats** (http://www.ieee.org/conferences_events/conferences/publishing/templates.html). Prospective authors are expected to present their papers at the conference, and at least one author must register at the full rate for publication.
